

# The 3<sup>rd</sup> National Airway Program of Singapore (NAPS 3)

Saturday 21<sup>st</sup> August 2021

*Simulation and Integrated Medical Training Advancement Centre (SIMTAC)  
Centre for Healthcare Innovation  
Tan Tock Seng Hospital  
Singapore*

## WELCOME MESSAGE

First started in 2018, NAPS has had 2 very successful runs, thanks to the support of the participants, faculty and the industry. We are constantly striving to improve the content of our course and always have something new to offer each year.

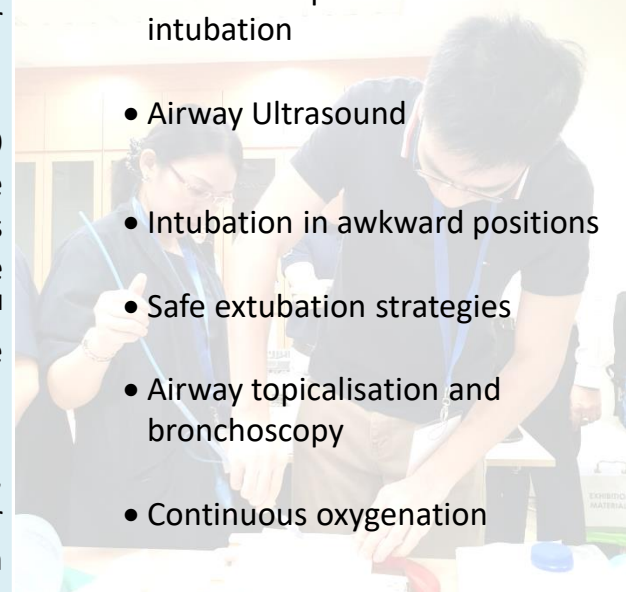

After a 1-year hiatus due to COVID-19 pandemic, the members of the Singapore Society of Anaesthesiologists (SSA) Airway Special Interest group are once again, pleased to bring you the 3<sup>rd</sup> National Airway Program Singapore (NAPS 3).

There will be plenty of interactive, hands-on opportunities to hone your various airway skills sets at NAPS. In addition, NAPS 3 is dedicating the afternoon to emergency Front-of-neck (eFONA) training. We hope all participants will gain confidence and competency in eFONA skills at the end of the course.

So come join us at NAPS 3 and we look forward to seeing you on 21st August 2021!

## Key Content:

- Videolaryngoscopy, optical stylets & combined techniques
- Supraglottic devices & bronchoscopic-assisted intubation
- Airway Ultrasound
- Intubation in awkward positions
- Safe extubation strategies
- Airway topicalisation and bronchoscopy
- Continuous oxygenation
- Adult eFONA techniques
  - *The Western Australia CICO algorithm*
  - *Cannula cricothyroidotomy*
  - *Melker conversion*
  - *Scalpel-bougie*
- Paediatric eFONA techniques

### Registration Cancellation & Refund Policy

All registration cancellation requests must be submitted in writing via email to the Event Secretariat: [cindytan@i-promo.com.sg](mailto:cindytan@i-promo.com.sg). Cancellation requests will be handled on a discretionary basis. Upon acceptance of cancellations, refunds are applicable according to the following timelines:

- Requests received on or before **21 June 2021** (2 months before course): 100% refund less an administrative fee of **S\$100.00**.
- No refunds will be entertained after **21 June 2021**, however, if you would like to substitute another delegate, please contact the Secretariat. No changes are possible after 1 August 2021.

Approved refunds will take up to eight weeks to process.

Refund payments will be returned through the same payment mode used during registration. Otherwise, a refund cheque will be issued.

*This course is pending approval by the Singapore Medical Council for accrediting of Continuing Medical Education (CME) points.*
