About NCC 2022

NCC 2022 is an inaugural virtual conference dedicated to the neurocritical care aspect for both the adult and paediatric population. Jointly organised by the Malaysian Society of Neuroanaesthesiology and Neurocritical Care (MSNACC) and Persatuan Kakitangan Anestesiologi Hospital Umum Sarawak (PEKA-HUS).

NCC 2022 may potentially be the biggest platform in the country to gather health care providers and researchers from various disciplines related to neurocritical care to exchange ideas and mutually enriching each other.

Together we move forward! Join us at NCC 2022!
